This Sanction of a supplemental grant & its Cancellation seems to be somewhat unsatisfactory. But the Comptr was not Consulted as there seemed to be no reason to do so. The ~~draft~~ order has now to be issued to ~~Correct the irregularity~~. Make the F.O. Consistent with the Comptr's action, unless indeed he can Correct his books to be Consistent with the F.O.

The expenditure in question was incurred in 1900-01; in accordance with Govt. sanction obtained on the score of the absence of provision in the Budget for 1900-01. ~~A sum of Rs. 4 lakhs was sanctioned by Govt. in March 1901~~ for the year 1902-03. The regularisation required in sheet 6 journal. I agree to the course as per pro-posed.

And order authorising the admission of the above in the accounts of 1900-01 I should think, have been proper instead of a Lubbock grant
